### Partnership of the Quarter: Freedom a la Cart

Every quarter, our staff votes on a charity or a cause that we are passionate about.

For the remainder of 2020, we will be asking our guests for an optional \$1 donation on all online orders to support Freedom a la Cart.

Freedom a la Cart supports and gives vocational kitchen training to victims of sex trafficking, as well as being a bad-ass catering company.

For more information, to order catering, or to see how you can be of greater help, please visit [www.freedomalacart.org](http://www.freedomalacart.org)
